

# SUMMER HOLIDAYS HOMEWORK

## CLASS- III (2019-20)

Summer Vacation are synonymous with fun, frolic, getting up late in the morning, playing for longer hours with friends, going for picnics, exploring new places and watching fun filled shows on television and lot of freedom. Freedom brings more responsibilities. So we have planned most of the activities for you that has been designed to fire your imagination while exciting you to explore, discover and reinvent.

### **Few guidelines for your parents to make your long summer break fruitful.**

1. **“Knowledge is Power”**. Encourage your child to cultivate the reading habit because it not only enhances the knowledge acquired but also develops the vocabulary, language skills and improves spellings. And also read to your child because it builds reading skills and increases his/her attention span.
2. **“A healthy mind lives in a healthy body”**. Encourage your child to go out and play because sports instill discipline, generate sporting spirits, channelize energies constructively.
3. **Communication skills** play a pivotal role in grooming the overall personality of the children. Converse with your child preferably in English to help him / her get comfortable with the language. Encourage your child to read children’s magazines like Magic Pot, Chandamama, Dimdima etc.
4. **Spend quality time** with your child engaging him / her in activities based on enhancing his / her powers of observation and imagination.
5. **Encourage your child to play** board games e.g. Chess, Ludo, Carrom etc.
6. **Sensitize** your child about the rich culture and heritage by watching different informative channels like ‘The National Geographic’, Animal Planet etc.
7. **Encourage your child to do the activities** himself / herself and appoint a specific time to do homework everyday.
