

SUMMER VACATIONS HOMEWORK

CLASS I (2019-2020)

VACATIONS! VACATIONS! VACATIONS!

Summer Vacations are here. A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

1. Keep at least half an hour a day for sharing experiences with your child.
2. Encourage your child to speak in English. Fix one hour in a day when you communicate with your child only in English.
3. Tell your child different stories regularly and encourage him to describe what he/she would do in a similar situation.
4. Let your child colour, draw, paint, play with water and sand etc.
5. Develop self help skills: Let your child dress and feed on his/her own.
6. Make him understand the importance of cleaning his room and putting away toys and belongings after use.

7. Take your child for outings. Ask him/her to make a note of all the places he/ she visits and the things he/she sees so that he/she is able to discuss his/her experience in class after the vacation.
8. Visit to Traffic Training Park and make one flash card (A-4 size) of any traffic sign(A-Z).
